

# THOMAS®

**Built for Contractors - Built to Last**

## CLASSIC ULTRA OIL-LESS LINE

### ELECTRICALLY FRIENDLY

Renegade's® low current draw won't blow standard 15 AMP house circuits, and of course, extension cords can be used whenever and wherever you need one.

### PERMA-LUBE™

Oil-less design for maintenance free operation and quick cold weather starts.

### HIGH-QUALITY COMPONENTS

By using high-quality fittings, gauges, other components, and Thomas provides the ultimate integrity of a long service-free life!

### N-CLINE DESIGN™

Offers multi-angle worksite compatibility
